## Mission Statement

Irish Lung Fibrosis Association  
[www.ilfa.ie](http://www.ilfa.ie)

### Vision

Our vision is to enhance the quality of life for individuals and families living with Lung Fibrosis.

### Mission

Our mission is to help individuals and families living with lung fibrosis, and the healthcare staff caring for them by providing evidence-based information, support and practical resources, and to contribute to awareness, education and research in Lung Fibrosis.

### Values

#### People are at our heart

- We promote person-centred care and respect and value every individual.
- We promote a positive approach to health and well-being to empower individuals.
- We connect people and help build trusted relationships.

#### Compassion

- We help, advise, inform and support individual's choices and decisions.
- We treat everyone professionally and with dignity and empathy.
- We engage with our stakeholders to understand and prioritise their unmet needs.

#### Advocacy

- We support change and challenge current practice to improve access to appropriate resources.
- We speak up on people's behalf and lobby Government for adequately resourced services.
- We collaborate with other patient organisations, alliances, and networks to achieve shared goals.
